WHY GOODBERRY'S FROZEN CUSTARD?

Goodberry's has been catering events in the Triangle for over 16 years. We have the ability to handle any size event at any type of location. Our services are scalable and can be easily customized to meet your needs.

When you cater with Goodberry's Frozen Custard, you're serving the very finest. Our all-natural product is superior in quality and taste and has been voted "best ice cream" and "best dessert" year after year. We know your guests will appreciate that you've made the effort to serve the very best.

We bring freshly made frozen custard to your event - not ice cream that has been manufactured in a plant. Flash frozen and shipped across the country. Additionally, many other catering services provide only 4 or 5 "dry" toppings choices. These are lower quality toppings used as a substitute for higher quality ones. Our 14 catering toppings are chosen from the very best available and include items such as blackberries, raspberries, dark chocolate syrup, roasted Shuar pecans and wet walnuts.

Discounts on large sized caterings are available. Call today to find out how our specially trained catering staff can serve your needs.

HOW WE ADVANCED THE TASTE OF ICE CREAM BY GOING BACK 60 YEARS...

Fifty or 60 years ago, if you wanted really fresh ice cream you didn't go to the grocery store, or your icebox, you loaded up the family

car and went to the creamery...right there, next to the dairy. That's where they made the ice cream fresh, with real cream, real fruit, real nuts, and real care. It was semi-soft, just the way it came from the churn. And it was just minutes old...not days or weeks. Fresh. Its what made all the difference. There's never been anything since that was as good...until now.
